The Power of Dreams

07 XL1000V Varadero

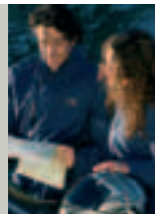

Let the journey begin

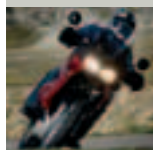

Setting unequalled standards in long-distance comfort and durable reliability, the XL1000V Varadero is the benchmark in adventure touring. No road too long, no adventure too big. The Varadero packs heaps of confidence that will lead you along new roads just as easily as lead you on your daily commute. The journey awaits you.

Unstoppable wanderlust

When the irresistible urge to explore new places takes control, the adaptable XL1000V Varadero opens up a whole new world of riding frontiers. Outfitted for long-distance expeditions over virtually any road you might encounter, the XL1000V Varadero is just as tough and determined sailing down the motorways as it is exploring the less well travelled wide open spaces in your search of new adventures.

Commuting

An adventurer at heart, the Varadero is equally at home on the city streets thanks to its contemporary slim design and two-tone graphics. With its low fuel consumption and low emissions, it is just as perfect for your daily commute as it is for a weekend trip.

Fun

The XL1000V Varadero boasts all-round capabilities that will set your heart racing the moment you sit down to map out your next adventure. Versatile and capable, the Varadero encapsulates the true spirit of freedom.

Speed

In the saddle of the mighty Varadero you'll find its thrust of conquering power will let you explore whole new worlds at the pace you want, whether along the open road or steep mountain climbs.

Power

Open the throttle and the Varadero's powerful fuel-injected 996cc liquid-cooled V-twin engine reacts instantly. With this power comes control, as the Varadero features a dual combined brake system with optional ABS.

Adventure

Whatever your destination, one thing is certain: the Varadero will take you there - effortlessly, in comfort and in style. One question remains: Where next?

Touring

Once you take to the open road, the Varadero complements its adventurous spirit with a most comfortable ride. With its two-position adjustable windscreen, large double seat and upright riding position, you'll never want to stop exploring.

Weekend Breaks

Longer weekend breaks and remote expeditions. The XL1000V Varadero takes them in its stride. Two-up or solo, laden or light, the world is yours to discover.

Experience the adventure

With a solid reputation behind its name, the Varadero has become synonymous with reliability, strong performance capabilities and an unstoppable adventure spirit. Now, the 2007 Varadero boasts even more contemporary good looks and rock-solid engineering to accompany you on all your adventures, big and small.

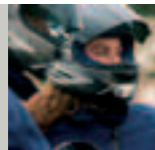

The Varadero features a new sleek tail cowl design, which tapers with rounded rear contours beneath a redesigned rear carrier, into a large, fully integrated tail light, and clear lens indicators.

The Varadero's redesigned and contoured double seat offers greatly enhanced riding comfort for both rider and passenger over long touring distances.

Convenient new locking side pockets are built into the cockpit, which incorporates a newly designed instrument panel with a new dial design and fuel mileage gauge. This calculates the remaining driving distance based on the current tank volume and fuel consumption.

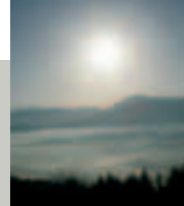

A more sturdy new aluminium lower cowl that enhances protection of lower engine components while providing a more rugged look.

Breathe in the landscape

Whether you love the outdoors or you're an urban adventurer, the XL1000 Varadero will be there by your side. Reliable and capable as only a Varadero can be, its 996cc liquid-cooled V-twin engine provides heaps of responsive power to head for new horizons. The Varadero looks slimmer than ever, with a redesigned tail cowl and a newly designed double seat that offers supreme comfort for both rider and passenger, even on long-distance rides. With the Varadero, you can leave the map at home.
