

Combining functional beauty with highly capable power, the Hornet projects a muscular and sexy 'streetfighter' image that translates into full-blooded excitement on the street. Not surprisingly the Hornet is one of Europe's best-loved mid-sized machines and you're sure to want your Hornet to stand out in the crowd. And with the choice of distinctive Honda Original Accessories you can make your motorcycle even more individually yours. Accessories extensively tested and built according to our highest quality standards and which add that extra touch of distinction.
