

Widely regarded as Europe's most versatile touring machine, the Pan-European is a perfect balance of sports riding performance and touring comfort. And as befits a true sports tourer, its beautiful, wind-sculpted bodywork is designed to slice through air with minimal drag while concealing capacious luggage space. And when you head off into the unknown, you can personalise your Pan-European with a wide range of well-considered Genuine Honda Accessories, such as a perfectly designed top box or trunk bags. Whatever road you decide to turn down, the Pan-European will be there to make it as swift, comfortable and enjoyable as possible.
