

Life in the city isn't always predictable. That's part of the fun! Meet the 2008 Lead. With predictable performance, easy handling and go-anywhere styling that lets you be spontaneous. A cool, cosmopolitan looker with a new, larger, fuel-injected, liquid-cooled engine that gets you wherever you need to be, whatever the traffic reports say. Practical? It's more than that, with an attention-grabbing, slim tail that integrates a gorgeously sophisticated wrap-around tail-light and rear indicator combination. And with Honda Genuine Accessories, all built according to the highest quality standards and designed specifically for your favourite model to extend your riding pleasure, you can tailor your Lead to your individual requirements and make it truly yours.
