

TRANSALP

Bang up-to-date and chasing new peaks of excitement, the 2008 Transalp begs you to jump aboard and discover new trails and distant horizons. Its new 680 cm³ engine is robust and smooth enough for endless fun-filled touring, capably delivering impressive surges of acceleration on the motorway or up steep slopes, even with an extra passenger and a load of travelling gear. A host of Honda Genuine Accessories will help you make the most of every experience. Top boxes, heated hand grips and fog lamps are just some of the optional accessories available to further enhance your motorcycling experience and unleash your spirit of adventure.

Meter panel
08F86-MFF-800 | Fitting Time 0.1 hr | RRP £40.00

- tailor-made, brushed, alu-look meter panel
- features 3D shape
- surrounds the clocks for a stylish look
- matches side fairing accent set, pannier lower scuff pad set, pannier upper scuff pad set, and tank protection cover

For your peace of mind Honda Genuine Accessories are carefully designed, researched and stringently tested to the highest standards. And since they're all Honda approved you'll know that they're just as tough and well made as your Honda motorcycle.
