

CBR
Fireblade

Honda winning DNA. The Fireblade has always been a dominant figure on the worldwide racing calendar and in 2008 it continued its incredible success. Like its predecessor, everything about the CBR1000RR Fireblade is tuned for and focused upon the seamless synergy of rider and machine for the most sensational and satisfying ride of your life. And combined with a range of equally impressive and exciting Honda Genuine Accessories, you can be sure your Fireblade will stand out in the crowd. Just take a close look at the supreme quality carbon-fibre accessories, rear seat cowl and high windshield – all designed to give your Fireblade a unique look of sharp, aggressive performance.
