

It's a world of hurt for off-road machines, but the 2010 CRF250R and CRF450R are ready for the challenge. Developed over four decades on the most competitive tracks, trails and courses of the world, they deliver cutting-edge innovations and race-winning technology in rider-friendly designs. Precision engineering and low-maintenance reliability means less time in the pits and more riding time with your buddies, or dominating your competition! And now for 2010 a HRC-branded range of performance and cosmetic accessories is available to make your CRF truly yours!

Magnesium ACG cover

- 08F48 KRN 800A | Fitting Time 0.3 hrs | RRP £175.00
- using magnesium as the material for this ACG cover reduces weight 190 grams compared to the standard-equipment part
 - the white coloring and the red Honda logo add a factory flourish
 - fits CRF250R only

Rear master cylinder cap

- 08F48 KRN 810A | Fitting Time 0.1 hrs | RRP £25.00
- made from duralumin, which is stronger and lighter than aluminum
 - finished in red aluminite for increased durability
 - features the HRC logo
 - fits CRF250R / CRF450R

Aluminium clutch cover

- 08F48 KRN 800B | Fitting Time 0.3 hrs | RRP £155.00
- this aluminum clutch cover employs a three-dimensional, curved surface to create a compact feel
 - tough, white coating makes it easier to remove scratches or wipe away stains
 - red Honda logo
 - fits CRF250R only
